STANLEY JOHNSON

Pennypack Gardens

CHELTENHAM, PA.

Foreword

QUALITY:—It is the aim of Pennypack Gardens to introduce dahlias that will grow for you so as to brighten your garden or produce show winners. While much emphasis is placed on creative work of developing superior strains of new dahlias, most responsibility is given to the maintaining of reasonably disease free foundation stock.

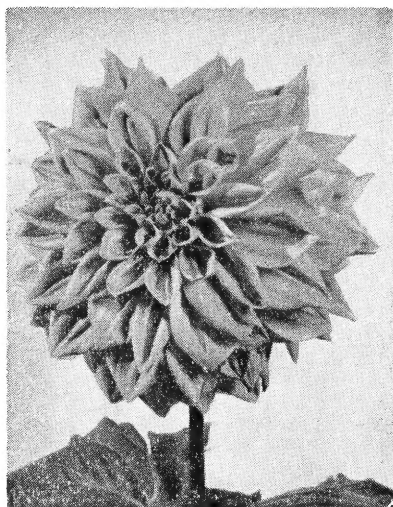

REPUTATION:—Show Record—Pennypack new dahlias did right by themselves in 1955 despite a bad growing season. Highbrow won 3 American Home Achievement medals and 3 A. D. S. gold medal Seedling Sweepstakes Awards. Ned Seymour continues to win as Best of Show and for the largest dahlia. In fact winning at shows is a habit for Pennypack dahlias.

PRICE:—All Pennypack dahlias are priced right. Comparison shows my prices most reasonable. Policy—high quality, low price.

RESULTS:—You can expect. Winnings for 1955 are surely impressive, but the final success is your satisfaction. A program involving testing both in the field and exhibition gardens has been carefully conducted. Any dahlia failing to grow properly under ordinary field conditions, does not bear the Pennypack label.
